

*Mini Conference on Differential Algebra and
Model Theory*

Tuesday, November 19, 2013
Room 125 Hayes Healy Hall
University of Notre Dame, USA

SCHEDULE of TALKS

11:30 am: Anand Pillay (University of Notre Dame)

Title: *Differential Galois theory and nonconstant Ax-Lindemann*

12:30 - 2:30 pm: Lunch

2:30 pm: Joel Nagloo (University of Leeds)

Title: *On transformations in the Painleve family*

3:30 pm: Tea (257 Hurley Hall)

4:00 pm: Omar Leon Sanchez (McMaster)

Title: *Model companions of differential fields with free operators*

If you need additional information, please contact Anand Pillay at Anand.Pillay.3@nd.edu
