

# Information for students in Math 60350, Fall 2018

**Instructor:** Qing Han, 232 Hayes-Healy, 631-6834

Email: [qhan@nd.edu](mailto:qhan@nd.edu)

**Text:** Folland, *Real Analysis*

**Syllabus:** This is a basic course on real analysis. We will cover Chapters 1, 2, 3, and 6. Main topics include measures, integration and differentiation. Lecture notes will be distributed.

**Exams:** There will be a midterm exam (take-home) and a final exam (in class).

**Homework:** Homework will be assigned weekly and is due in class on *Wednesday*.

**Grading:**

Midterms 100 points

Final 100 points

Homework 100 points (after scaling)

**Honor Code:** On homework and take-home exams, I allow and encourage you to work together and discuss the problems. However, your solutions must be written in your words. Copying from ANY source is a violation of the Honor Code.
